## Fluent Forever Bug Reports for Spanish (European) Pronunciation Trainer

am happy with my purchase, but what's up with those deers? You have the 'venado' and the ciervo' (not the same, I guess), have a look at the pics. One would think, there is only room for one deer in one deck.FixedN/AN/AThe card with a picture of a planet comes up and just has planet written underneath it it doesn't tell you what you should be doing and the audio just says PlanetaS2017 or earlierNot FixedTrainer was checked regarding this feedback, but the user feedback was deemed to be was mistaken, irrelevant, not worth fixing or already fixed.N/AAlso do you know how to do the ü, I've got the Spanish keyboard open on my MacBook, but t ant's sei to n there at all. :S The usual way of doing it like I did for this email doesn't work in Anki.2017 or earlierNot FixedTrainer was checked regarding this feedback, but the user feedback was deemed to be was mistaken, irrelevant, not worth fixing or already fixed.N/AAlso coy, when I looked for it in Spanish didn't show up any pics of harmmocks and the google transteate for harmmock was hamaca Should I use coy or hamaca?2017 or earlierNot FixedTrainer was checked regarding this feedback, but the user feedback was deemed to be was mistaken, irrelevant, not worth fixing or already fixed.N/AAthete did the same Storm is the same too Hull MirrorInvil Keep this email open in case there are any moreThere are: Fruit, Shadow, Dance, Traffic, Muscle, Cash, Museum, sheet, pilot, Surgery, golf, Chain, Bowl, Hall, MirrorNot FixedNot FixedNr/AN/AJust wanted to report some apostrophe errors i have notice in this ANKI card set for learning pronunciation but also for learning spelling.
